SYMPTOMS OF LYME DISEASE*

ACS 200 (Silver) Extra Strength

- The only antimicrobial proven to kill *Borrellia burgdorferi*, and Lyme co-infection agents *Bartonella henselae* and the Powassan virus - all at kill rates of 99.9999%.
- Does not harm healthy flora.
- Boosts the immune system.

ACZ Nano (Zeolite) Extra Strength

- Clinically proven to remove heavy metals such as mercury, lead, radioactive isotopes, ammonium ions and more.
- Lessens typical die-off or herxheimer reaction by binding toxins and sub-particles released from the dying Lyme organisms.

ACG Glutathione Extra Strength

- A major advancement in Glutathione supplementation, proven by independent clinical research to effectively increase intracellular levels of GSH by over 10% in only 7 hours.

- Glutathione (GSH) deficiency is associated with a host of health issues, which may include metabolic imbalances, allergies, asthma, inflammation, and immunodeficiency.

ACN Neuro Extra Strength

- Supports the reduction of Lyme related neurological issues that may include migraines, memory issues, brain fog, fatigue and eventually depression.

Real Customers – Real Results

"I have been using the Results RNA System since early December to treat my chronic Lyme and co-infections. My Lyme literate Functional/Integrated Medicine Doctor placed me on it. I was bedridden and in the worst condition I have ever been. I have NEVER used antibiotics. I am so thankful I am starting to get my life back."
