Provides Exceptional Benefit

Documented Results

Extraordinary Efficacy

Comprehensive Cardiovascular Formula

Exceptionally effective, ACC Cardio Extra Strength contains a unique blend of proven cardio-protective ingredients, including L-arginine, CoQ10 (Ubiquinone), Red Yeast Rice (*Monascus purpureus*), Lycopene, Garlic, Magnesium, Vitamin D3, Vitamin K2, Cinnamon extract (*Cinnamomum cassia*) and more.

The First L-arginine Intra-oral Spray

Say goodbye to messy powders, ACC Cardio is the first product that features L-arginine and more in a simple to take great tasting spray. Instantly absorbed L-arginine increases nitric oxide levels and has been scientifically proven to help maintain healthy blood pressure, optimize cholesterol levels, blood flow and arterial function.

Supports Healthy Blood Pressure

ACC Cardio supports enhanced blood flow, blood vessel protection, healthy blood pressure and enhanced large artery elasticity, with highly beneficial vascular effects.

Supports Healthy Cholesterol

Provides all the benefits of Garlic without the smell or after taste. Garlic has been used extensively throughout history for its many health promoting benefits, including cardiovascular health. There are over 641 study references validating the efficacy of Garlic for enhancing immunity and cardiovascular health by supporting healthy cholesterol levels, blood pressure and more.

Clinically Proven Results

A clinically validated cardiovascular health formula with over 2,000 reference studies citing the ingredients included, many of which are determined essential to maintaining a healthy heart and cardiovascular system. Results are fast acting and safe.

Essential Daily Support

Magnesium is vital to cardiovascular health and is included. A lack of Magnesium has been shown to raise blood pressure, reduce glucose tolerance and cause neural excitation. Dietary deficiency of Magnesium plays an important role in different types of cardiovascular disorders such as ischemic heart disease, congestive heart failure, sudden cardiac death, atherosclerosis, a number of cardiac arrhythmias and ventricular complications.

Anti-inflammatory Support

ACC Cardio contains many ingredients with proven anti-inflammatory, antimicrobial, antioxidant, cholesterol-lowering, and immune boosting properties.

Advanced Cellular Technology

ACC Cardio delivers the power of each ingredient in the most effective manner possible; achieving maximum results without stomach discomfort or side effects. With Advanced Cellular Technology, ACC Cardio Extra Strength Intra-oral spray is immediately absorbed, simple to take, and has a pleasant taste with a hint of natural mint. Just spray, swish, and swallow.
