

# ACG Gluco Extra Strength

Extraordinary Support for Healthy Blood Glucose Levels

Provides Exceptional Benefit

Documented Results

Extraordinary Efficacy

## A First in Blood Glucose Support

ACG Gluco Extra Strength represents the pinnacle in blood glucose support supplementation, with instant absorption of crucial ingredients in a simple-to-take oral spray.

## Clinically Proven Results

Blood glucose support factors of ACG Gluco include:

- increasing insulin secretion
- decreasing insulin resistance
- decreasing glucose resorption from the GIT (galactomannan)

## Blood Glucose Regulation

ACG Gluco Extra Strength provides support for blood glucose regulation by:

- enhancing cellular uptake of glucose
- improving insulin sensitivity
- decreasing gluconeogenesis
- inhibiting intestinal hydrolysis of sucrose and thereby lowering blood glucose levels

## Clinically Proven Results

Clinical Studies validate this exceptional formula, which includes Berberine, Fenugreek seed, Astragalus root, Banaba Leaf extract, Cinnamon extract and synergistic mineral blends.

## Improved Glucose Metabolism

Studies indicate ACG Gluco improves glucose metabolism via the induction of glycolysis by inhibiting glucose oxidation in mitochondria.

## Advanced Cellular Technology

ACG Gluco Extra Strength delivers the power of each ingredient in the most effective manner possible; achieving maximum results without stomach discomfort or side effects.

With Advanced Cellular Technology, ACG Gluco Extra Strength Intra-oral spray is immediately absorbed, simple to take, and has a pleasant taste with a hint of natural mint. Just spray, swish, and swallow.

**Ingredients:** Berberine, Fenugreek Seed (*Trigonella foenum-graecum*), Astragalus Root (*Astragalus membranaceus*), Banaba Leaf Extract (*Lagerstroemia speciosa*), Cinnamon extract (*Cinnamomum cassia*), Peppermint Leaf (*Mentha x piperita*) and Natural Trace Minerals. **Other Ingredients:** Ultra-Pure Deionized Water
